

**CITY OF HESPERIA**  
**NOTICE OF WORKSHOP/DISCUSSION**  
**RE: HOLY HEAVENLY LAKE**  
**(BOULDER CREEK RANCH)**

**10161 CHOICEANA AVENUE / 19099 LEMON STREET**

Similar to an EIR Scoping meeting, the Development Department is requesting public input regarding the proposed redevelopment of the Boulder Creek Ranch property into Holy Heavenly Lake, a Buddhist retreat intended to become: the center for Buddhists around the world; a premier world-renowned Buddhist tourist attraction; and a place where the general public and Buddhist followers can enjoy an oasis of beautiful architecture and landscape as well as the spirit of Buddhism from a variety of different cultures.

The main temple will be similar to the Vatican, but for Buddhists, and the remaining property will be utilized by different Buddhist sects for smaller temples, caretaker housing, lodging/hotels and a commercial corridor. A waterway will travel through the development and tie into the existing lake. Access will be provided at existing locations at the north and south ends of the property.

The City has not received an application for the project and no decisions or approvals will occur at this meeting. It is intended to gather feedback so that City Staff and the applicant can ensure that all areas of concern are understood and addressed in application materials and focused studies.
